WE ARE...
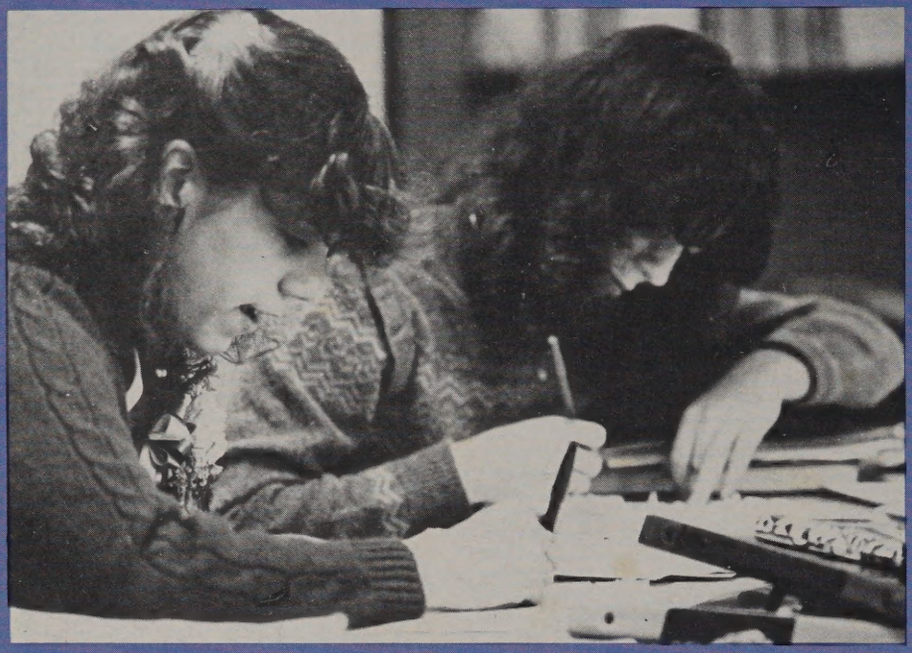
Dedicated



Springfield High School students stand behind anything and everything we believe in. In the areas of academics to athletics, or anywhere in between, the SHS student body is devoted and loyal. Students of Springfield High School stand by their peers. We support each other, and we are there to lend a helping hand when it is needed. In the case of the Boys' Varsity Basketball team, the SHS crowd, made up of students and parents alike, could be considered the "sixth man" on the team.

Upper Left: Seniors Chrisanthi Hatzantonis and Debbie Yarborough spend their lunch time in the library. Above: Leslie Maahs is determined to say on the donkey to score two points for the team. Right: "Skinhead" Senior Paul Cook shows his school spirit by growing blue and white hair.

WE ARE... Ambitious

We set goals and strive to achieve them! The group of students enrolled at Springfield High School care more about their grades than in past years. As a student grows older, this person tends to be more serious about the future. Students at SHS show a strong desire to accomplish whatever they intended to complete. We are eager, and when we see what we want, we go for it! We include spirit, drive, and enthusiasm in everything we do. Academically and athletically, SHS wants to be recognized as a serious and hard working student body with wide-ranging goals and ambitions.

Lower Left: Miller starter Shane Davis adds two points to the score against the Willamette Wolverines, as the Millers romp on to State. Above: Millerman Larry Baker breaks the neck of the Thurston High School Chicken during a time-out at Thurston. Below: The Millers defeated the Thurston High School Colts for the second time during 1983 to prove that "Big Red Is Dead" FOREVER, and that the Springfield High School Boys Basketball team was the 5AAA District Champion of 1983. These buttons were sold by the Senior Class Student Council for their class fund.

WE ARE...
Rowdy

At games, the student body gets so filled with excitement and pride, we have to have an outlet for our emotions whether they're good or bad. "Other" teams may get booed for missing a shot, but the Miller fans wouldn't do that — we are still PROUD of all our athletes, no matter what happens.

Upper Left: Junior Scott Ramsay "rocks out" during an air-guitar contest in the Courtyard. Lower Left: Ann Curtis, senior, expresses her feelings towards a referee at a varsity basketball game. Above: The "ROWDY" Springfield High student section starts up the "Clots" chant at the Springfield vs. Thurston basketball game. Below: Juniors Kathy Schlosser and Angie Brown cheer with enthusiasm for the SHS football team.

WE ARE . . . Expressive

The students of Springfield Senior High School have no problem EXPRESSing themselves. Whether it be in drama, band, or athletics — the message always comes through loud and clear. The bands and Pep Band are rated #1 in the state; the drama department is respected statewide, and the choirs are always among the best in the state. Athletics have taken an upward turn towards improvement, as our Boys' Varsity Basketball team took the 5AAA District Championship and competed in the State Basketball Tournament

September . . . WE ARE BACK

August came to an end, and summer vacation was over. September began with high hopes for the year and complaints about homework. Before the first day of school rolled around, September 1st registration was held in the Commons. All the seniors were relieved that this was their last year. The freshmen wondered if they could make it through four years of this sort of mass confusion on registration day.

During mid-September, the junior class sponsored the CI Dance performance, "High Stepping." A percentage of the money was raised for the Junior/Senior Prom. Students and faculty alike became accustomed to the new "one-period lunch" schedule as the month progressed. During the noon hour some activities for "Hello Week" were held in the Courtyard. On Wednesday, the "spoon and string" race was held, and the juniors took the lead. On Thursday, the "Life-Saver pass" was held, and the juniors showed their stuff again. It wasn't until Friday that the greater student involvement ignited the friendly spirit of "Hello Week." It was a way to welcome S.H.S. students to the 1982-1983 school year.

Once again the yearbook staff put on an annual signing party, this time for the 1982 graduating class. S.H.S. students and graduates alike crowded into the Commons, and soon after pens started flying as people remembered the year past.

On the last Friday of September, S.H.S. students were packed into the Silke Field stands as they watched the varsity football game. They hosted the Willamette Wolverines in a game that ended in double-overtime. The game became SHS's first victory of the season.

October

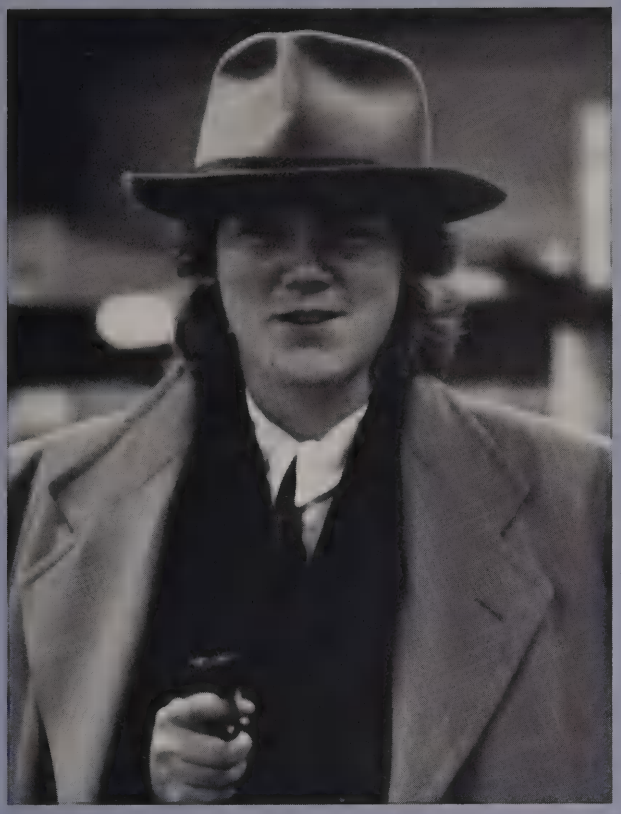
WE ARE READY

October featured the traditional Fall Week that complemented the 1982 football season. The Varsity Football team, being more successful than any team for the last eight years, added to a climactic week when they squeezed by North Bend in overtime, 19-13.

Monday the 11th started Fall Week; "Prep" was the theme and bubble-gum blowing was the contest won by the senior class of '83. "Tourist Day" and "Occupational Day" followed, including the wheelbarrow race, which was won by the junior class. The most popular day was "Movie Star Day" or "Punk Rock Day," which was held on Thursday and featured students performing in an air-guitar show at lunch.

The television personality, Pam Dawber, (from ABC's "Mork and Mindy") stopped by to talk to the SHS student body about Rep. Jim Weaver's campaign. Although she did talk about the candidate, the majority of her time was spent answering questions about her television series.

Top Left: Junior Dee Dee Bergen ponders her next photo, while classmate Debbie Hagen slurps a Pepsi. Top Right: Kevin Cozad, junior, keeps the beat for the air-guitar contest. Above: The apple-eating contest was a big success, with seniors Greg Hutson, Keira Morrisette, junior Debbie Hagen and sophomore Rick Peterson participating.



Top Left: Senior Evie Dickerson holds up her teacher on "Mafia Day" to be assured of an "A". Upper Right: Actress Pam Dawber (Mindy) smiles as another student asks an interesting question. During 1982, Springfield High School's Homecoming was on Friday, October 15, the final day of Fall Week.

At half time of the varsity football game, the Homecoming Court rode around Silke Field in Corvettes, which were supplied and chauffuered by a Pacific Northwest Corvette club. Each of the 12 couples met in front of the crowd, and senior Keira Morrisette was crowned the 1982 Homecoming Queen.

Homecoming evening was a big success with the defeat of North Bend in overtime. The annual dance followed the game and concluded Homecoming — 1982.

November

WE ARE . . .

"STUFFED"

Upper Left: SHS students are proud to announce that their very own Assistant Principal, Ron Schiessl, was named "Turkey of the Year" by KZEL 96. Mr. Schiessl collected his winnings to use on Turkey Day. Upper Right: Tami Harris and Debbie Taylor sing under the hot lights in "The Guitar of Broadway." Lower Left: Brent Schreffler looks dismayed while playing Helen Keller's father, Captain Keller, in "The Miracle Worker." Above: Katrina Morss and Monica Splinter perform an emotional scene as mother and daughter in the play, "The Mircle Worker."

Even though it seemed that school would never end for vacation in November, activities continued at Springfield High. Every student looked forward to the Thanksgiving Vacation and the Turkey-Day festivities. One of the highlights of the fall month came when Assistant Principal Ron Schiessl was voted "Turkey of the Year" by all of his "beloved" SHS students. The popular Eugene-Springfield rock station, KZEL, made sure it was announced for all to hear.

Drama Club students also performed in the production of "The Miracle Worker." The play, a drama about Helen Keller, presented her struggle to make it through her childhood years. Helen Keller was portrayed by a very talented freshman, Monica Splinter.

Another source of entertainment emerged when the Melodairs, Jazz I, and Kaleidoscopes produced a jazz show entitled, "The Glitter of Broadway." The show featured songs from such Broadway hits as "Annie," and "Westside Story."

Upper Left: Kaleidoscope seniors Diane Leighton and Steve Cooper show their singing talents in the jazz show. Lower Left: Jazz show entertainers Keira Morrisette, Paul Chapman, Soledad Deleon, Scott Ramsay, Kristin Kordon, and Robert Conrad strut in the "colorful" spotlights. Below Right: Playing the role of THE MIRACLE WORKER, Bobbi Bailey expresses her realization of the overwhelming task of educating Helen Keller.

December

WE ARE. . .

FESTIVE

Upper Left: "Frosty the Snowman" smiles with anticipation as he thinks of Christmas. Upper Right: Jeri Webb concentrates intently on the basketball game. Lower Left: Emy, played by Emma Fox, tells Dink, Pete Shanahan, that there is a poisonous substance in the spittoon and it needs to be washed. Lower Right: Candy Weischedel, Marci Roemer, Dierdre Thomas, Shawn Kirk, and Roger Kuhl swing into the Christmas spirit by visiting the ever popular Santa Claus.

"Ho-Ho-Ho! Santa was here, and we were all in good cheer — hoping he would not forget us this year." Economically, times had been difficult, but the SHS students were ready for the festivities of Christmas and the 1982-1983 basketball season. Basketball seemed to look quite promising since the Millers defeated two excellent non-league teams, Crescent Valley and Lebanon. Each game in December seemed more exciting than the last, as the Miller team remained undefeated.

The yuletide drama production, "In the Spirit of Christmas," was an American adaptation of "A Christmas Carol" by Charles Dickens. "What I liked most about the play," commented Kris Ford, "was that the actors and the props were so believable." December was also one of the best times to buy a box of popcorn and spend an evening in one's favorite theatre. Movies such as "The Man From Snowy River," "The Creep Show," "The Toy," "Best Friends," and "Tootsie" helped make this month entertaining. Among all these movies, "Tootsie" seemed to be the most popular.

Top: The SHS Marching Band and Drum Line performs "Swing March" in the City of Springfield's Annual Christmas Parade. Above: Mel Hollister stages a duel in the play, "In the Spirit of Christmas." Center Right: The Millers' avid basketball fans could only stand and watch during the many basketball games that were won by a mere point in the last few seconds.

January

WE ARE... #2 IN THE STATE!!

The Millers were ranked second in the state this January by **The Oregonian's** poll. At the end of January the Millers were 13 and 0 with enormous support from the SHS student body. When students showed their enthusiasm by bringing confetti to the basketball games, everyone in the student section became involved. But this tradition was soon eliminated when confetti was banned from the gym to make the floor safer for the players.

The end of the first semester required a second registration. There was a cut-back in faculty members for the second semester, so students had to register again, cancelling the registration that was previously completed in December.

World class runner Alberto Salazar visited SHS. To everyone's surprise he did not come to talk about running. He was speaking to encourage students to become involved with the volunteer "Big Brother, Big Sister" program. Most of the questions asked were not about volunteer work; students asked everything from, "What kind of running shoes do you wear?" to "Who is your next tough opponent?"

The first annual Springfield vs. Thurston rivalry game of 1983 was held on the 18th. The mighty Millers proved that "Big Red Was Dead."

A new tradition was started at SHS during this month. Larry Baker, Bob Harral, and sophomore Rick Ellis were selected to be "Miller Men." They put on their jeans, workshirts, suspenders, and logging boots to become the MILLER MEN for SHS.

February

WE ARE. . . BREAKING RECORDS!

THE MILLERS OF "1944" 16-0

Top: The 1944 Varsity Basketball team members are honored for their 39-year record of 16-0. Left: Donkey "Schmedley" looks very sad after being defeated in the donkey basketball game. Upper Right: There was no room to spare as the rowdy Millers packed the Thurston gym for the second annual Thurston-vs.-Springfield game of the season; the Millers walked away with an outstanding victory over The Colts.

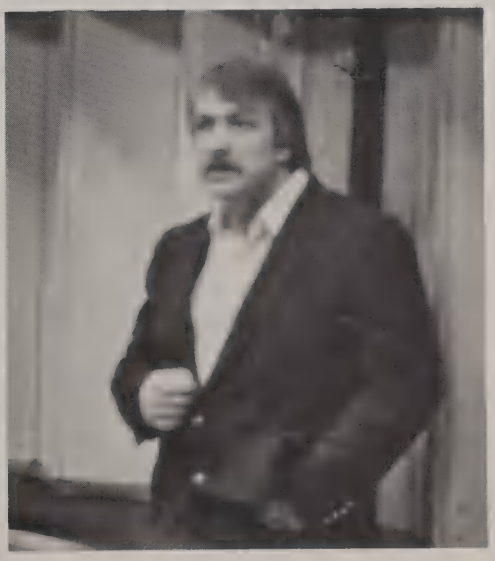
Lower Right: Paul Cook shows his Miller spirit by wearing a blue and white pompom wig after shaving his head for the swimming season. Bottom Right: Ron Reardon, "The Ice Man," speaks to SHS students about his life of crime in an attempt to convince them not to start a future like his past. Bottom Left: Club officers and faculty members compete by fighting for chairs in the musical chairs contest held at the pep assembly before the game against "South."

February was a month for fun and recreation. The Millers had the pressure put on by Sheldon High as they faced the Irish for the showdown with the undefeated Millers. The final score of 46-45 in Sheldon's favor had a great impact on the Springfield fans and team alike; the undefeated Millers had lost their perfect 17-0 record for the 1983 season.

The Millers went on for another climactic game against the Thurston Colts. For this last game of the year the Millers and the Colts' fans kept the enthusiasm going with their annual rivalry and spirit. Finally the Millers clenched the conference title with a victory over the Colts, 38-34. This 19-1 season record meant the best year ever for Springfield in the history of SHS. The Millers' 17-0 record broke the 16-0 record set by the Springfield basketball team of 1944. The varsity men of '44 displayed their Springfield spirit in the '83 season by cheering for the Millers against Cottage Grove. The victory over the Lions broke the record to make the 1983 basketball season a great part of SHS history.

During the season the second pep assembly of the year was held to boost spirits for the challenging game against the South Eugene Axmen. Activity started with the musical chair contest. The participating members were club presidents and faculty members. The prize winner took home a bit of Miller paraphernalia. The Millerettes captured the audience by dancing in form to raise spirits for the Friday night game.

Basketball was not the only activity that attracted student interest. Ron Reardon, commonly known as "The Ice Man," visited SHS to speak to the students and faculty about surviving a life of imprisonment. "The Ice Man" served 25 years of his life in prison for hijacking a plane. His main focus was to encourage students to stay out of trouble and look towards a good future.



March

After 20 games and hard work, the Millers became the District 5AAA Basketball CHAMPS with an automatic birth in the state playoffs. The students and faculty were very enthusiastic about the Miller basketball team going "all the way" to STATE. Rooter buses were rented and tickets were sold; fundraisers were held and contributions were made in order to lower the $10-ticket price. The tickets were lowered to $8 a piece so that students could afford to see their team play at Portland's Memorial Coliseum. The first game against the "Big City" high school, Parkrose, ended in the first setback for the Millers, 42-36. But enthusiasm was not lost; the SHS supporters were up bright and early the following morning for a return trip to cheer for their team at the Coliseum. Yet the "DREAM" season came to an abrupt halt when the Millers lost their consolation game against an aggressive Beaverton High, 50-37.

Basketball ended quickly and ASB elections were held to appoint the new officers for the 1983-1984 school year. Scott Ramsay was elected ASB president, Dana Lommen—vice-president, Debbie Bates—secretary, and Darren Heffington—treasurer.

Following the March ASB elections, students were ready for a B-R-E-A-K! Spring vacation was a time for rest, relaxation and sun-tans? On the Friday before, the sun brought with it not only warm weather, but the anticipation of spring recreation and "cloudless" weather. To everyone's dismay the sunshine was hidden behind a large blanket of clouds during the entire week that the students were vacationing. When they returned for the traditional gossip about vacations, there were NO "suntan" tales to be heard.

WE ARE. . .

IN THE STATE PLAYOFFS

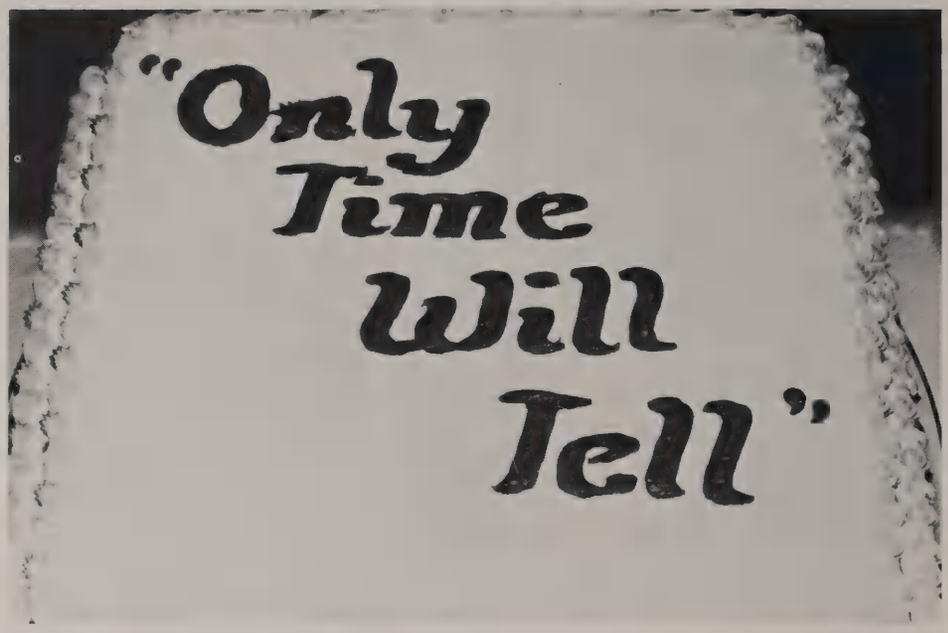
Top Right: Buses arrive at the Portland Colesium to bring eager SHS fans to chant, cheer, and clap for THEIR state playoff team.

April

THE PROM-WE ARE. . . FANTASIZED!



Take the Valley River Inn's "Willamette Room," a room full of tuxes and evening gowns, and you have a night filled with fun and fantasy. The 1983 Prom was one to remember for SHS students and faculty alike. When students started arriving at 8:30 the fun began, dancing and eating the night away.

The Prom theme, "Only Time Will Tell," was very appropriate this year. The Prom had been juggled from date to date and upset many peoples' plans. May 7th had been the set date, but due to a mix-up between the Valley River Inn and the Junior Class, the Prom was moved to April 23. Despite the "mix-up," people felt that the Prom was one to remember.

Voting took place that night for a 1983 Prom Queen. It was a tradition that hadn't been upheld in some years. This year the honor was given to Queen Rea Moffitt. Rea was crowned and received a bouquet of red roses as SHS's "queen for a night."

Upper Right: Scott Southworth, Jenny Acker, and Scott Ramsay sing in harmony during the musical version of "Fame."

Sun or rain? Millers were quite mixed up this month between the sun and the rain. No one knew whether to wear shorts or long johns. Through it all, Spring Week was still held at the regular time. Activities included such things as Hat & Shade Day, Punk Rock Day, Wagon Race, and the music of "Oracle." On Friday a double lunch was scheduled in the court yard. Groups and clubs sold everything from "Social Burgers" to "Fudge Sicles."

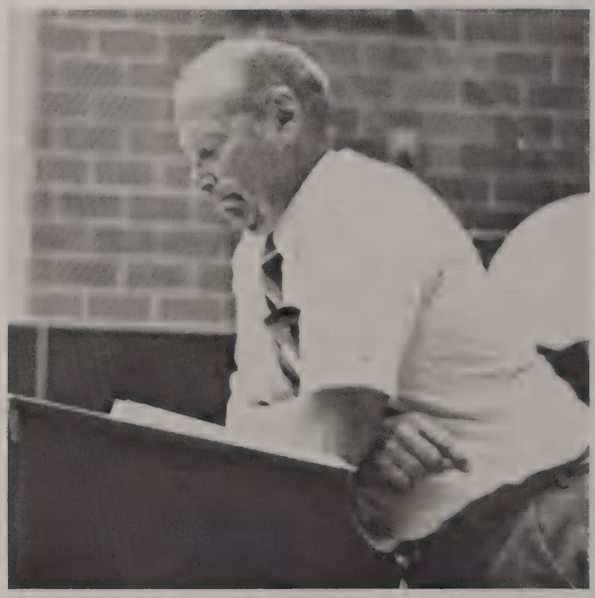
As the month progressed, Kaleidoscopes and Melodairs practiced hard for their second show of the year, "Glitter of Broadway II." SHS students projected their talents in such broadway musicals as "Fame," "Grease," and "A Chorus Line."

June

The Junior Class of 1984 turned the final day of school for the seniors into a grand finale. When students arrived at school Friday morning, they found that the entire courtyard was covered with white toilet paper. Thanks to the Class of '84, it looked like snow in the spring. The "paper caper" was called a "going-away" present for the seniors. When Friday ended, the seniors were released a week earlier than the underclassmen. Most seniors left very excited, but some left feeling they would miss "good old SHS."

The next time the seniors were together again was at the first marching practice. It has been a tradition that the Millers put much pride into their graduation ceremony; Principal Bill O'Neal said, "It has to be perfect." After practice a senior luncheon was served by the school cooks. They put a lot of extra effort into the luncheon and the seniors were very grateful.

Next on the agenda was the senior breakfast. Parents were invited with their seniors for a big Elks' Lodge breakfast, awards presentation, and slide show. Later in the afternoon the seniors were back at Miller Pavilion practicing once again. Then that evening graduates and parents attended Baccalaureate. The Baccalaureate address was given by senior Robert Conrad's father, Pastor Gerald Conrad, whose remarks encouraged many graduates to reflect. Now comes the realization, the ending of a long chapter, and the beginning of another large, and wondrous chapter in the 1983 graduates' lives.



We Are . . . Out

Of School!

THIS PAGE- Top: More hungry seniors wait for the delicious lunch prepared especially for them. Middle Left: With crossed arms and frowning faces, "excited" seniors wonder if marching practice will ever adjourn. Graduation

WE ARE THE BEST

We Finally Made It! All of the hard work and late night studying was really worth it. Twelve years of agony, defeat, pride and victory were all over. So what's next? College and careers, or jobs and families? Mixed emotions were expressed by the graduates of '83 during commencement exercises.

Starting as "measly" freshmen, the class of 1983 was the first four-year class to graduate since 1956. This was a class of leaders, explorers, scholars, and achievers. Not just some-but many. Each and every one of them had high expectations and big goals they were sure to reach. These special graduates set an extraordinary example for the classes to come. There were 271 senior graduates, producing four valedictorians and two salutatorians. $125,000 worth of scholarships were awarded to these high achievers. A proud principal, Mr. Bill O'Neal, MC'd the commencement exercises, along with the senior advisor, Bill Bowers. As the seniors received their diplomas from school board member, Betty Knight, Class President Soledad Deleon read the names of her classmates as they marched across the stage.

As graduates moved their tassels from left to right, they felt that they had earned the right to be proud. Radio station KSND's editorial called '83 a "banner year for SHS," with four district championships and a school full of spirited supporters.

When parents, friends, and graduates left Miller Pavilion, many tears were seen and sounds of joy heard. The class of '83 was gone from SHS forever, but their futures seemed bright. "Knock'em dead"-'83!

Varsity Football

The 1982 Miller Football team had high pre-season hopes as it came to "two-a-day" workouts in August. Boasting a number of seniors who had seen playing time in 1981, Coach Chuck Burns had visions of his first winning season at Springfield. Early hopes of a playoff berth were soon dimished, however, as the Millers dropped their first three games and failed to score any points. Springfield did get on a winning track after that, as they won four of their last six games to finish a respectable 4-5 on the year. The victories included an exciting 13-7 win over Thurston (the first in ten years) and a 19-0 thumping of Cottage Grove.

Although the playoff dream was not reached, several Millers had exceptional seasons. Kit Kesey finished the season with 950 yards, the leading rusher in the district and an All-District selection at tailback. Cornerback Wade Haugen and guard Bob Harral were also All-District picks. Both Harral and free safety Brad Carman were both captains of the team.

The Millers took a step toward turning the program around, and hopefully next year's team will pick it up where this year's left off. Senior Mike Holcomb summed it up best when he said, "We're going out winners and that's all that really counts."

J.V. Football

The Springfield J.V. Football team was "a competitive group," according to Coach Roy Gray. As their scores indicate, the Millers were in every game except the last, where injuries slowed them down; Thurston won 26-6. They were led by a group of tough individuals who stuck together and never gave up. Some of the younger J.V. players also played on the undefeated sophomore team. The Soph's went 5-0 for the year and gained some valuable football experience.

Frosh Football *BEST RECORD IN HISTORY*

"This is the best record an SHS Freshmen Football team has ever had," said Coach Tom Roberts.

The 1982 Freshmen Football team had a very successful season. They won their first seven games in a row before losing the last two for their 7-2 win-loss record.

The defense was a major part of the team's success by surrendering only 24 points during their seven-game winning streak. The Miller's defense was led this year by Jeff Burt, Nicky Harral, and many others who contributed greatly. The Millers shutout three teams during the season: Marshfield 26-0, Cottage Grove 13-0, and North Bend 15-0.

"Overall, this freshmen team is well balanced in all positions; that helped us win our first seven games," said Roberts.

Upper Left: The Freshman team's leading rusher, Corey Beyerlin, #34, avoids a South Eugene defender for a big gain with defensive help from Doug Ledbetter, #33, and Mark Stansfield, #65. Gymnastics

Right from the beginning the 1982 gymnastic's season was widely publicized as the LAST. With the OSAA ruling that statewide participation was below the level to justify sanctioning a state meet at the season's end, the athletes and supporters of gymnastics geared up for their final season. With spirit, dedication, and a strong will to win, the girls charged into competition, and win they did. The enthusiasm and support of the fans were rewarded as this "determined" team rolled to five victories in a row, before sickness and injuries took their toll. Disaster struck down the Miller's all-around standout, Loralyn Yarnall, causing her to sit out the rest of the season. Due to a series of injuries, the team yielded only to South Eugene in their final two meets before District. Though these were setbacks for the Miller gymnasts, it didn't stop them from walking away with a second-place finish at the district meet. Three gymnasts qualified for the state meet: Darlene Johns on bars, Karla Drake on floor and vault, and Ann Sullivan on vault, floor, beam, and all-around. Yet another injury "crippled" Springfield, keeping Ann Sullivan out of the state meet with a broken ankle.

Outstanding gymnasts of the 1982 season were honored at an awards banquet. These gymnasts, as voted by their team members, were: Most Valuable, Loralyn Yarnall; Most Inspirational, Loralyn Yarnall; and Most Improved, Julie Bradshaw.

Varsity Volleyball

The 1982 Volleyball season for the Millers was one of excitement. The Millers posted a 12-6 league record to place fourth. The fourth place finish was good enough to earn a district play-off berth. In play-off action the Millers upset the third place North Eugene Highlanders in two straight games to advance to the final game with the winner going on to the state tournament. In the final game the Millers met cross-town rival Thurston. Although Thurston was highly favored and the Millers were the underdogs, the match was a "barn-burning" thriller. The first game went to the Colts, the second game to the Millers, and the third and deciding game was a see-saw, 15-13 win by the Colts. The Millers served the match point against the Colts but just fell short.

The varsity team was led by senior Cris Skaife (first Team All-District) and junior Sondra Ellis (Honorable Mention All-District). Other top players included senior setters Lora Irvin and Ann Curtis. Next year's team will have six returning players, plus a J.V. team that tied for first in the league which makes the Millers' 1983 Volleyball future look promising.

J.V. Volleyball

The 1982 JV Volleyball squad achieved an excellent record of 16 wins and 2 losses. The team was Co-League Champions with Marshfield. The rivalry between the two teams this year ended with Springfield defeating Marshfield in two games within a match, thus ending Marshfield's thirty-five game winning streak. The Springfield JV's were a well-rounded team which included good spikers, setters, and back-row players. The JV's were made up of many individuals who played as a team. This year's JV's, combined with returning varsity players, should prove to be a strong varsity team for next year.

SOPHOMORE AND FRESHMAN VOLLEYBALL

This year's Sophomore-Freshman players worked hard to improve their volleyball skills, both as individuals and as a team. The team posted a 9-8 record for the season, plus a 3rd place finish at the 2nd Annual Willamette Freshman Tournament. This year's squad should provide a solid nucleus for future junior-varsity and varsity teams at Springfield High.

FRESHMEN B VOLLEYBALL

The 1982 Freshman B Volleyball squad was made up of 11 enthusiastic hard workers. The team achieved a record of 9-7, beating all of the top teams in the conference, including Marshfield. Springfield had never defeated Marshfield in the history of Freshman B Volleyball. The players gained the valuable experience that they will need as future Springfield volleyball players.

Soccer

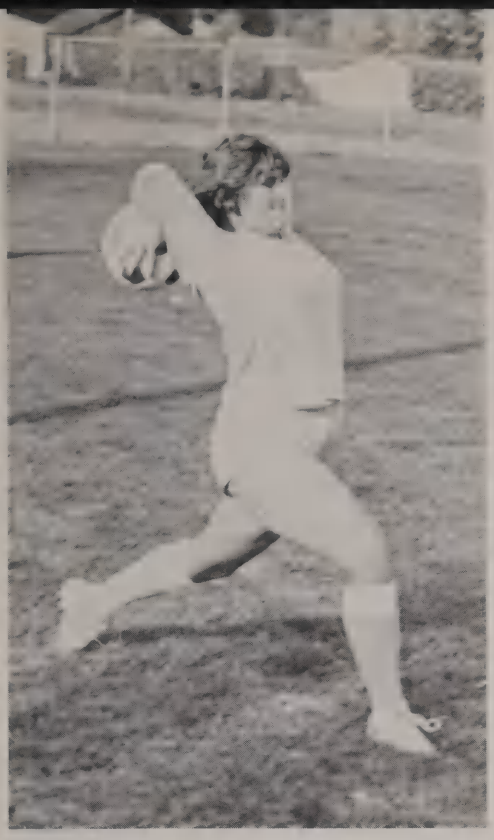
Started Off On The Right Foot

In 1982 Springfield High School got its soccer team back. Mr. Pete Schull was the head coach. Springfield ended its season one game from the district playoffs, with a record of two wins, four losses, and two ties.

Coach Schull explained that his team wasn't used to AAA boys' soccer, and that the league involved a lot more physical contact than the team had expected. This is the reason which can explain the slow start at the beginning of the season. The parents of the players played an important role in providing financial aid. All of the money for equipment, jerseys, and referees' salaries was raised by the coach, players, and their parents. Their support has created a comfortable financial basis for Springfield's season next year.

The SHS team consisted of many strong players during the 1982 season. Among these players was Eric Heinsoo, a junior who had a great season. As captain, Most Inspirational Player, and on Springfield's first team in the All-Star League, the team will be glad to see him return in 1983.

Top Right: Scott Ramsay maneuvers around a defender as he sets the Millers up for a goal. Bottom Right: The Millers offensively drive the ball past the goalie to NET additional points. Below: Eric Heinsoo skies over a Sheldon defender to head the ball towards the goal.



Girls' Soccer

Springfield High School's first Girls' Soccer team had a "building" 1982 season. Many of the 19 members were young and didn't have the skills and soccer experience as some of the older players in the 5AAA League.

Head Coach Steve Miller was optimistic as the season opened, and he felt the team had the ability to be strong. The players' skills and abilities improved as the season progressed. The 1982 Girls' Soccer Team Captains were senior Karla Loomis and junior Robin Anderson.

Fundraisers, such as garage sales and raffle ticket sales, were supported and organized by the parents of both the SHS boys' and girls' soccer teams. Parental support was a major part of the attitude of the girls' team.

At the end of the 1982 season, junior Randi Rush was awarded the honor of being a member of the 5AAA All-Star Team. Junior Shannon Southard was selected for the second team and junior Robin Anderson received honorable mention.

With 15 team members who will be returning, along with seven expected freshmen players, the 1983 SHS team looks to be even more promising.

Cross Country

The Springfield High School Cross Country team was not as fortunate as they had been in the past. The biggest problem for the boys' varsity was finding a fifth runner. When the boys finally filled that spot, Springfield placed second at the district cross country meet.

Junior Chris Quade had an ankle injury from playing basketball, sophomore Greg Suiter was in the hospital, and senior Paul Cook was out with a cold. All of these misfortunes affected Springfield's performance at the state meet. The Millers' second place finish was good enough to qualify them for state. Even with their first and second place runners out of the state meet, the boys had a respectable finish, taking 12th place.

The SHS Girls' Cross Country team's performance was affected by the difficulties of recruiting members for the team. This year's team was very young, without even one experienced senior. Overall, the girls did have a good season by placing fifth in the District 5AAA Meet.

Varsity Basketball

Competing well and doing their very best was the fundamental philosophy of the 1982-83 Varsity Girls' Basketball team. Yet "experience" was something the team lacked with only two returning seniors, Lori Woolley and Evie Dickerson.

"This year's team, while not productive in the win column, was given good leadership by seniors Dickerson and Woolley," said Head Coach Joan Spratlen.

The underclassmen were able to gain badly needed experience and playing time at the varsity level. The girls showed a strong determination to be competitive against every team no matter what the lights on the scoreboard read; when it was all over, they came away feeling that they had given it — "their BEST."

Junior Debbie Hagen summed up the season by saying, "We gained a lot of experience for next year; coming back as seniors we will know about what it takes to have a WINNING season. We were a close team, yet it was hard not to get frustrated when we were seeing our skills improve but not our record."

JV Basketball

The 1982-83 SHS Girls' Junior Varsity Basketball team had a fine season considering no one had any previous experience at this level. "For being so young, we were a very competitive group of young ladies who lost many of our games by only a few points to more experienced teams in the league," said JV Coach Laurie Burke. "I was very proud to be able to work with such a fine group of girls, and I'm sure they will be more successful as they gain more experience." The JV team suffered from a lack of experience and youth. The whole team was made up of sophomores with the exception of one freshman. However, the exposure to tough competition will pay off in the long run. In seasons to come they will have much more depth than other teams in the 5AAA League.

Freshman Basketball

Finishing the season with a record of 11 wins and 8 losses, the Springfield High School Girls' Frosh Basketball team was very competitive. Excellent progress was shown by each player on the team throughout the year. The girls improved their offensive and defensive skills and their knowledge of the game.

Sophomore Basketball

The 1982-83 Sophomore Basketball team learned many new ball-handling skills and defensive drills. Although the Miller girls had a tough season, they advanced their team strategy and competitiveness. "The girls came a long way this year and showed a lot of promise for the future," remarked Coach Dave Gault.

Varsity Basketball

The story can't be judged by its ending

The referees killed them the first game, or maybe it was the two-week layoff with no games to keep them sharp. Whatever the excuse, the '82-'83 team, which supposedly lacked the height or experience to finish better than seventh in the district, had ended a "dream" season with a jolting nightmare. As the frustrated Millers left the floor of Memorial Coliseum, SHS fans could only feel disappointment for a team that deserved better. It was hard to watch the team, which had fought back from as much as nine points down in the final period to win against Churchill and North Eugene, to finally meet their match against Parkrose and Beaverton.

The "perfect" season had many highlights along the way, including setting the new SHS consecutive-games-won record with 17 wins in a row. Several individuals also stood out: Pat Reynolds was named the league's MVP, and Coach Fryback received the Coach-of-the-Year Award. Shane Davis was named second team all district, Mike Travess and Brad Carman were named to the third team, and Darren Lee received honorable mention.

It's too bad this fairy tale season couldn't have a happy ending, but the excitement and support for Springfield High School that the '83 basketball team generated will long be remembered.

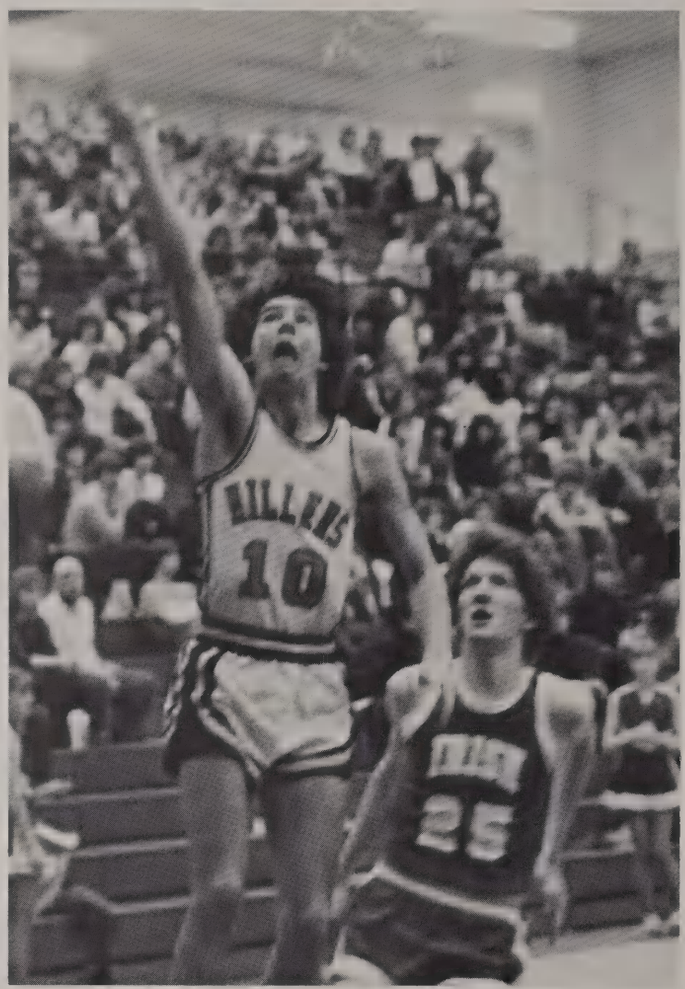
JV Basketball

"A year of building up experience and playing as a team."



This year's Junior Varsity Basketball team started off playing .500 ball in the beginning of the season, but later, began performing inconsistently and ended with a 7-13 win-loss record.

"Even though we had a losing season, we got a lot of exposure," said JV Coach Chuck Burns. "We were more preoccupied on giving everyone playing time and had a successful season, in that matter."

"Our best game of the season was against Sheldon, there, where we won 60-40," added Coach Burns.

The most consistent player on the team and leading scorer was junior Ed Smith. His best game of the season came against Cottage Grove when he scored 31 points and went 15 for 15 from the free-throw line.

Another key player for the Millers' offense was junior Dan Sutherland, who led the team in rebounding.

"We also got good ball handling from Scott Burns and Tom Sotelo, our small forwards," added Coach Burns.

Above: Junior Scott Burns throws up a tough lay-up against Sheldon. Left: Junior Aaron Helfrich shoots over an aggressive Sheldon defense.

Sophomore Basketball

The Sophomore Boys' Basketball team had a successful season with a 13-7 win-loss record. After a slow start, the sophomore team rolled on to a six-game winning streak in the middle of the season that included wins over Sheldon, Marshfield, rival Thurston, North Eugene, North Bend and a close 65-62 win over Churchill.

"Our best game of the season was against Churchill at home. They hadn't been beaten in two years, and we ended their long winning streak," said Sophomore Coach Charlie Olds. "It was a successful season; the guys started out easy and played with confidence by the end of the season," added Olds.

Keith Reynolds led the Millers' offense this year averaging almost 10 points a game. His best game of the season was against North Bend when he scored 20 points.

Another key player on the Millers' offense was Greg Wacker who averaged 7.5 points a game and scored 25 points in the last game of the season against rival Thurston. Wacker led the team in rebounding with an average of over five a game.

"We played well as a team and didn't have any individual stars," said Coach Olds.

Greg Wacker eyes the basket and goes up for an easy lay-up against South Eugene.

Freshman Basketball

Coach Bob McKenzie is quick to point out, "The purpose of the freshman program is not to win all our games, but to help the kids mature as players and individuals."

The team didn't win all of their games, but finished with a very respectable 12-8 record. Winning was nice, but McKenzie was pleased most of all with the competitive attitude of the players and their desire to come together as a team. He cited the greatest improvements in the team's defense and the individual improvements of the players.

This season was a success, and as the players continue to grow, the future success of Springfield basketball will grow right along with them.

Wrestling

4TH AT DISTRICT
A STATE CHAMPION

This year's Miller Wrestling team completed a super season led by Seniors Mike Palermo, Kit Kesey, Scott Shannon, Mike Holcomb, Steve Cooper, Joe Sullivan, Steve Hall, Paul Chapman, and Sean Braddock. The season will always bring to memory Coach Rex Febius's jokes, injuries, Sean Braddock, glass windows, and more injuries. The team completed the season with a 19 and 6 record. The Millers placed fourth at District and seventh at State due to the wrestling of Junior Ken Vogt, Seniors Mike Palermo, Joe Sullivan, Steve Hall, who placed sixth, Scott Shannon, who placed second, and Sean Braddock, who won the State Champion title for 1982-1983.

Swimming

The 1982-83 version of the Millers' swimming team, under the watchful eyes of coaches Dan Cole, Roy Gray, Roxie Metzler, and Toby Weissert, "splashed" their way to a very successful season. The team included 47 competitiors, 20 girls and 27 boys. Within this crowd were several A.A.U. and returning athletes, and a good number of new swimmers and freshmen.

At the first meet of the season the boys' and girls' teams placed second out of seven teams at the Springfield-Thurston Invitational. Of the seven dual meets, the girls ended with a record of 4-3 and the boys achieved a season mark of 5-2. Both teams placed third in the district meet and qualified 15 swimmers for the state meet at Mt. Hood Community College in Gresham. Again, both SHS teams finished with indentical results — seventh place at the state meet. The swimmers who contributed points for SHS were Mark Duvall, Lance Brooker, Mark Watson, Dale Wood, Paul Cook, Mike Smith, Rob Osuna and Todd Russell in diving. Heather Hockett became a new STATE CHAMPION. Her teammates, Susan Wood, Julie Logan, Rea Moffitt, and Jeanne Taber, also scored valuable points at the state meet. Shelli Hastings and Tresa Smith were also state qualifiers.

According to Coach Roy Gray, "Swimming is like putting money in the bank. The more you put in, the more you get out later. This year there was a good overall attitude, and the performances of the kids increased over the season. Swimming is one of the only sports where progress can be measured. You always come out with money in your pocket."

Track

The Boys and Girls' Varsity Track teams enjoyed great success in the District meet. The girls finished third and the boys took the District CHAMPIONSHIP by one point over South Eugene, thus snapping the Axemen's 12-year string of district titles. The Millers also had the most points in coed scores, winning the overall title. Individuals who advanced to the State meet were: Bob Harral—pole vault, Brad Gerrard—javelin, Wade Johnson—shot put, Chris Quade—1500 and 800, Greg Suiter—3000, Eric Heinsoo—intermediate hurdles, and Brad Carman—100, 200, high hurdles, and the sprint relay team of Carman, Doug Durbin, Derek Owens and Mel Hollister.

The Miller boys strongly dominated the 5-AAA Conference by finishing with an undefeated 6-0 dual meet season. It was highlighted by a win over South Eugene for the first time in ten years. "We've waited for this so long," smiled Head Coach Ron Dove. "This was just a super, neat group of kids, and I was real pleased they did so well."

In the state meet two Millers stood above the rest in their respective events. Bob Harral was the State Champion in the pole vault, needing to clear only 14'4" to win the event. Junior Chris Quade blitzed by the pack with 200 meters left in the 800 and held on to win the event in an impressive 1:53.

Although the nucleus of the district track team will graduate this year, several key underclassmen such as Chris Quade, Dave Hein and Greg Suiter should give Coach Dove something to look forward to in 1984.

Varsity Softball

Springfield Varsity Softball has progressed rapidly. The 1983 team has made quite an improvement over previous years. Some of the highlights of the season were a 6-7 come-from-behind victory over the Sheldon Irish and a 2-0 shut-out over the South Eugene Axemen. The Varsity Softball team worked very hard this season and was only one win away from getting a spot in the district playoffs. Special recognition went to Lori Glockler and Trina Travess for 2nd team All-League honors. The Miller team was led by senior captains Lisa Deadmond and Evie Dickerson. Backing up the seniors were five juniors, two sophomores, and two freshmen; all will be returning next year. These players and upcoming junior varsity players will provide a promising team that should accomplish a lot in 1984.

J.V. Softball

The 1983 Junior Varsity Softball team brought out a lot of new talent. The majority of the players were newcomers to high school softball. The first half of the season was a little slow, but in the second half the players worked together as a team and won more games, including a practice game against a Varsity Softball team from Central Linn. The J.V. Softball team posted a 6-10 record for the season. They will return next year with more experience and spirit to challenge the highly competitive teams in the district.

Freshmen Softball

Springfield's Freshmen Softball team remained competitive throughout the season. Good individual skills, combined with teamwork, put the freshmen Millers in the lead at the start of every contest. One or two low energy innings often took their toll, leaving Springfield just short of a winning season.

Golf

In 1983 the SHS Golf team had a very successful year that included the first District 5AAA League Tournament victory in over five years.

The Millers were led by senior Co-Captains Jim Werth and Bob Ashley. Freshman Don Brent symbolized the new talent the Millers will have in the upcoming years. He qualified and played in every tournament of the 1983 season.

The team's victory came at Shadow Hills Country Club over Sheldon, North Eugene, and Cottage Grove. Werth and Ashley were individual medalists at the tournament.

Girls Tennis

With only five returning lettermen, Rea Moffitt, Pam Granquist, Elke Schoener, Kris Vorheis and Courtnay Gambee, the 1983 Miller Girls' Tennis team had to rely on eight young athletes with very little competitive experience. The team showed great improvement over the year, posting four team victories and two ties in 14 matches.

Senior Rea Moffitt was a big asset to the team, completing her fourth year of tennis with an impressive 7 and 5 record at the number one singles position.

After Moffitt lost in the second round of the District tournament, she commented, "It was disappointing but I felt my playing was pretty good."

The 1983 Miller Boys' Tennis team served up a 13 - 1 season. Senior Rick Pearson and Junior Kent Atkinson, for the second year in a row, went to the District Tournament where they placed third, which advanced them to the State Finals. The duo won in the first round of the State competition but lost in the second to the fourth-seeded doubles team.

Head Coach Bob Semon commented, "I was extremely pleased with the season; the team's biggest asset was that we had good depth throughout the ranks." Coach Semon also added, "Next year we should do really well; everybody is eager to play this summer and enter tournaments, so that next year we should have a good season."

VARSITY BASEBALL

The Boys' Varsity Baseball team had a great season as they surprised everyone and took the District title for the first time in 11 years.

The Millers finished the regular season tied with Sheldon for first place with identical records of 14-4. This set up a playoff game for first place at Civic Stadium, in which the Millers pounded Sheldon, 13-4. Sheldon was ahead most of the game until the sixth inning when the Millers broke the game open, scoring 10-runs on heavy hitting.

"Everybody, some way or some how, contributed to this game, and that's great," commented Varsity Coach Bill Bowers.

The win over Sheldon sent the Millers into the State Baseball Tournament. But their stay wasn't long, as they couldn't get it together in their first game against Tigard and were eliminated by the score of 21-9.

The Millers won many awards, as Ted Davis won the District 5AAA Batting Championship with an amazing average of .537; he was selected league MVP. Meanwhile, Coach Bill Bowers was awarded Coach of the Year, and Mike Travess was given a Golden Glove Award for his great defensive plays at second base. The Millers were led in pitching by Junior Rob Cantwell, who finished with a great 7-2 record, and made the 5AAA All-Star First Team.

J.V. Baseball

ABOVE: JV Coach Ron Simmons talks with a Thurston Coach about the outcome of the game.

The JV Baseball team had a very successful season finishing with a 14-5 win-loss record.

"The season, for the most part, was enjoyable for a coach," said Coach Ron Simmons.

"This team had a lot of unity and developed a winning attitude early in the season," added Simmons about his team's success.

Their best game was against North Eugene, the last game of the season, as the Millers won 5-1.

"This was our best all-around defensive game. We didn't commit any errors, and it's nice to end the season on a winning note," commented Simmons.

Since they played so well as a team, Simmons said everyone could be considered an outstanding player. Greg Wurtz and John Peplinski were the most consistent players, and Darrin Heffington was the most improved in the outfield.

There were two freshmen on the JV baseball team, Matt Auxier and Scott Sheldon who switched off playing every game and got a lot of playing time.

"Our pitching staff wasn't spectacular but we're consistent; our best performance came from Glen Litten, Darren Hybl, and transfer student Brian Travess," added Simmons.

FROSH BASEBALL

The Freshman Boys' Baseball team had a fairly successful season and finished with an even win-loss record.

"We beat everyone we played at least once," said Freshman Coach Dave Gault.

The team built up a lot of experience as the season progressed, and they played well as a team.

"Our best game of the season was when we came from behind and beat Oakridge; here, 6-5," Gault added. "We played Crow's Varsity team three times and beat them once; we also played Oakridge's JV team twice and split with them."

During the 1982-83 school year, the SHS Student Council accomplished many projects.

Subdivided into working committees, the Finance Committee balanced budgets and selected "Millers of the Month," the Activities Committee ran dances, the Internal Affairs group provided class elections, and the Welfare Committee sent letters to special interest groups and maintained relations with the SHS administration.

In addition to all of this, the ASB provided three scholarships for seniors, opened a fund for the needy, established a Christmas Gift Drive, donated money to the Hosanna Children's Center, and attended and organized intra-city council meetings among and with other area high schools.

Honor Society members are chosen on the basis of leadership, character, scholarship, and service. Emphasis is placed on grades; a student must have a 3.5 GPA or above, yet school and community activities are also weighed. This year 69 new members were inducted into the National Honor Society on May 3rd. These students were selected by the Honor Society selection committee: Kathleen Ohlendorf, Roxie Metzler, Kathy Downing and Allen Heide.

The 1982-83 officers were: Soledad Deleon, President; Loren Powers, Vice-President; Tina Erne, Secretary; and Karen Yarnall, Treasurer. During Spring Week, Honor Society members operated an orange drink booth to help offset the expenses of the induction ceremony.

The Peer Tutoring program provided the opportunity to learn teaching and communication skills to instructionally improve students' basic skills. The SHS Peer Tutors were very active this year. In September, 25 students were trained to tutor students in academic, P.E., and industrial classes.

The Peer Tutors provided valuable academic assistance to classroom teachers. Under the direction of Dinah Pflugrad, the P.E. program for handicapped students, utilizing the assistance of 11 trained Peer Tutors, has remained a model program. The Peer Tutors devoted a great deal of energy working on various P.E. skills, as well, as encouraging the social and emotional growth of their students. As a result of this devotion, the special P.E. students did an outstanding job in the Special Olympics at both the district and state levels. Peer Tutors also instructed students in vocational classes in the industrial education department.

In January, 28 Peer Tutors attended a workshop under the direction of Janet Fryback and the counseling staff. Tutors learned the R.E.T. counseling technique. They had the opportunity to discuss problems and share possible solutions.

Health Occupations is a class designed to help seniors learn more about the medical careers they are pursuing.

During the first semester, the class studied and learned about the different medical fields. They developed skills such as first-aid and patient care. They learned how to work with the chronically ill and the elderly. Many field trips enabled them to decide on a health career that they would like to pursue.

Students involved with dentistry went to several dentist offices around the area. Other students who wanted to become certified nurses aides stayed in the hospital and worked in the recovery rooms, intensive care units, physical therapy, respiratory therapy, obstetrics and McKenzie Manor Nursing Home. At the end of the year, those students who wanted to be certified nurses' aides took tests which authorized them to apply for jobs in hospitals or nursing homes.

Chem Club

Sodium Chloride? Potasium Hydroxide? Silver Nitrate? What does it all mean? Young chemistry students like these can most likely tell you all about them. These students are a part of the SHS Chemistry Club. Taking a chemistry class and collecting much knowledge from it, is only one part of the program. Students are given the chance to join the club and have a lot of fun outside of class time too.

Through the year they have had numerous fundraisers and club parties. Fundraising money goes towards new chemicals and equipment that the science department will need in the future. Revenue also is there to help students who are interested in a summer science program sponsored by the University of Oregon. Two weeks out of the summer, OSSE, Oregon Summer Science Experience program gives upper level science students from all over the state a chance to increase their knowledge of science. This year SHS sent more students to OSSE than any other high school in the state.

The Springfield Chem Club has been going strong for several years; the 1982-83 members hope science students of the future will have the same opportunities that they have had at SHS.

Vica

The Vocational Industrial Clubs of America focused on many different skills such as welding, masonry, mechanics, drafting, woodshop techniques, electronics, house wiring, and automotives. The members participated in competition on the district, state, and national levels. This year, the state competition was held at Lane Community College. Springfield High School had one outstanding winner, Dennis Lynch, who won first in automotives and was the first person from SHS and in Oregon history to win three first-place finishes in VICA competition.

The Distributive Education Clubs of America are for students who are interested in business careers. The purpose is to develop leadership, marketing skills, and offer the opportunity for recognition of students who excel in marketing skills. Students who take a Marketing I or II class have the opportunity to join the group. Students gain experience in job interviews, sales, advertising, and promotional displays.

This year, the club was involved in several fundraisers, including a carnation sale on Valentine's Day, a bagel sale for Spring Week, and the sale of various T-shirts. The funds from these projects enabled the students to attend a leadership conference and a state competition. Students involved in DECA also operate the school store.

Key Club, a service organization for high school students sponsored by the Springfield Kiwanis Club, had 20 members during the year. It was a chapter of Key Club International which had over 90,000 members. Key Club's aims were to foster leadership, working together, useful citizenship, and service to school and community.

During the school year Key Club earned approximately $600 in two fund-raising activities, sent a blind child to camp, sent three members to District Convention in Pasco, carved pumpkins for McKenzie Manor Nursing Home, built a float for Hosanna Children's Home for the Christmas Parade, had two pizza parties and a potluck dinner.

Front Row: Kristin Geuy, Sibyl Perkins, Marcy Scales, Marla Betz, Kelly Given, Kathy Williams, Gina Cooper, Karen Yarnall.

Service, Education, and Progress are FBLA's goals to success . . .

FBLA, Future Business Leaders of America, is a non-profit organization for students who are eager to learn more about the business world. Students compete at the district and state levels against other students. Competing, as well as fundraising, and community projects, provide students with the opportunity to learn about the business community.

The Springfield High School Chapter of FBLA sent 25 members to the district skills conference in Albany. When all the tests were in and awards were given, 14 people were eligible to compete at State in Portland.

Chess

The SHS Chess Team rolled over most of the area teams in the District 5AAA Chess Tournament. The Chess Team did manage to compete in the State Championships. The State tournament was held in Milwaukee, Oregon where SHS's bid for the championship was crushed by Wilson High School and Beaverton High School. Springfield finished twelfth out of sixteen.

The team consisted of President and first board, Josh Freeman, Clifford Keele, Pat Green, Kevin Guderjahn, and Rick Ellis. The noon training staff consisted of Stephen Mosely, Paul Grimes, Mark Collingwood, Brian Hanna, and Virgil Reeser.

FORENSICS

Back Row: Michelle Kostelecky-Advisor, Kelly Toney, Pat Green, Darren Balogh. Middle Row: Judi Seaton, Jackie Cowan. Front Row: Stephen Mosley, Scott Southworth, Misty Johnson. Right: Stephen Mosley shows the emotion brought out during his A.D.S.

Building skills and confidence in public speaking were the major goals of Springfield High School's Forensics Program. Even as first-year competitors, the 1983 team showed these attributes at Oregon State University. It started a tradition by repeating a victory for SHS in After Dinner Speaking with Stephen Mosley's first place win. Though this was the only trophy of the year for this inexperienced team, its overall skills and talent promise to make 1983-84 an exciting year filled with victories.

Sentinel

STRUGGLES THROUGH A TOUGH YEAR

SPRINGFIELD — The SHS newspaper, the SENTINEL, fell into financial problems due to the lack of funding. The staff went the whole month of January without producing a paper for the first time in the history of the SENTINEL.

But the paper did recover-due to attention from the "real press," the Springfield News and KEZI-TV, who informed the public of the problem. Suddenly advertising and funding started falling in to save the paper.

"Advertising has kept us alive," commented the newspaper Advisor Pat Albright.

The SENTINEL did a good job of reporting the news around the school and kept the school aware of what was going on, under the circumstances.

"Lack of funding affected the quality of the paper," added Albright.

Millers' Log

The 1982-83 Millers' LOG Staff had a difficult time trying to come up with a theme this year. Back in the months of September and October, it was hard to imagine what type of year 1983 would be. It surpassed all of our expectations! This year was filled with academic and athletic accomplishments; it became our job to record all of them.

It was exciting to see four District Championships, a State Wrestling Championship, but the sweetest victories were the football and basketball wins over Thurston.

The 1982-83 staff has worked long, hard hours to capture these memories. We hope that you enjoy and appreciate the effort. WE ARE PROUD of the Class of 1983.

Dedication to promote school spirit was the key objective of the 1982-83 Varsity Rally. "The Rally had a lot of fun at the games with the help of the 'Blue and White' Section," said Kristi Masek.

Jill (Organizer) Cope, Chrisanthi (Crispy Bacon) Hatzantonis, Kristin ("Car-Lifter") Kordon, Debi (Snowman Nose) Lacock, Kristi (Hawaiian Delight) Masek, Cris (Goldilocks) Skaife, and Kim (Spaz) Sheldon were the members of this year's Varsity Rally.

"We knew we would be awesome when we became seniors," said Cris Skaife, "Taking the trip to the Tournament was the highlight of the year."

JV Rally

Famous for their dance routine to the "Time Warp", the Junior Varsity Rally members Karla Drake, Tracy Erne, Lori Harris, Captain Sandi Hinkle, Jo Ann Johnson, Susan Rech, and Denise Yarborough performed this same routine at the State Tournament at Memorial Coliseum. They also encouraged the J.V. teams on to successful victories.

Freshman Rally

This year's eight-member Freshman Rally cheered the younger SHS athletes on to victory. The Frosh Rally included Tracy Ashley, Lisa Bates, Christi Buell, Tricha Kalbfell, Melissa Newman (captain), Phatima Taylor, and Missy Vaughan. As well as doing fundraisers, the rally also sold stadium cushions with the other three SHS squads.

Marching Band

The 140-member Miller Marching Band and Drum Line, under the direction of Grant Elkington and Gene Slayter, was involved in many activities during the year. After many hours of practicing marching drills and memorizing music, September and October proved to be busy months for the band. The Miller Band performed marching half-time shows for the Silke Field crowd at every Springfield Varsity Football game and entertained the Oregon Duck Football fans at Autzen Stadium on September 18.

Senior Drum Major Aaron Polly led the Miller Band and freshman Majorette Julie Staggs showed skills with her baton, as the band was rewarded with a trophy for its appearance in the Annual Springfield Christmas Parade on December 4. The SHS Marching Band had claimed the trophy honors over the THS Marching Band for the third straight year!

The Springfield High School Varsity Pep Band raised spirits and played excellent music during all of SHS's basketball games. They also played music for two University of Oregon basketball games. Dressing up in crazy outfits for home games or wearing their "District Championship" t-shirts at the State Tournament in Portland, the 42-member band was there to play "Another One Bites the Dust" for the losing team after each of SHS's 19 victories.

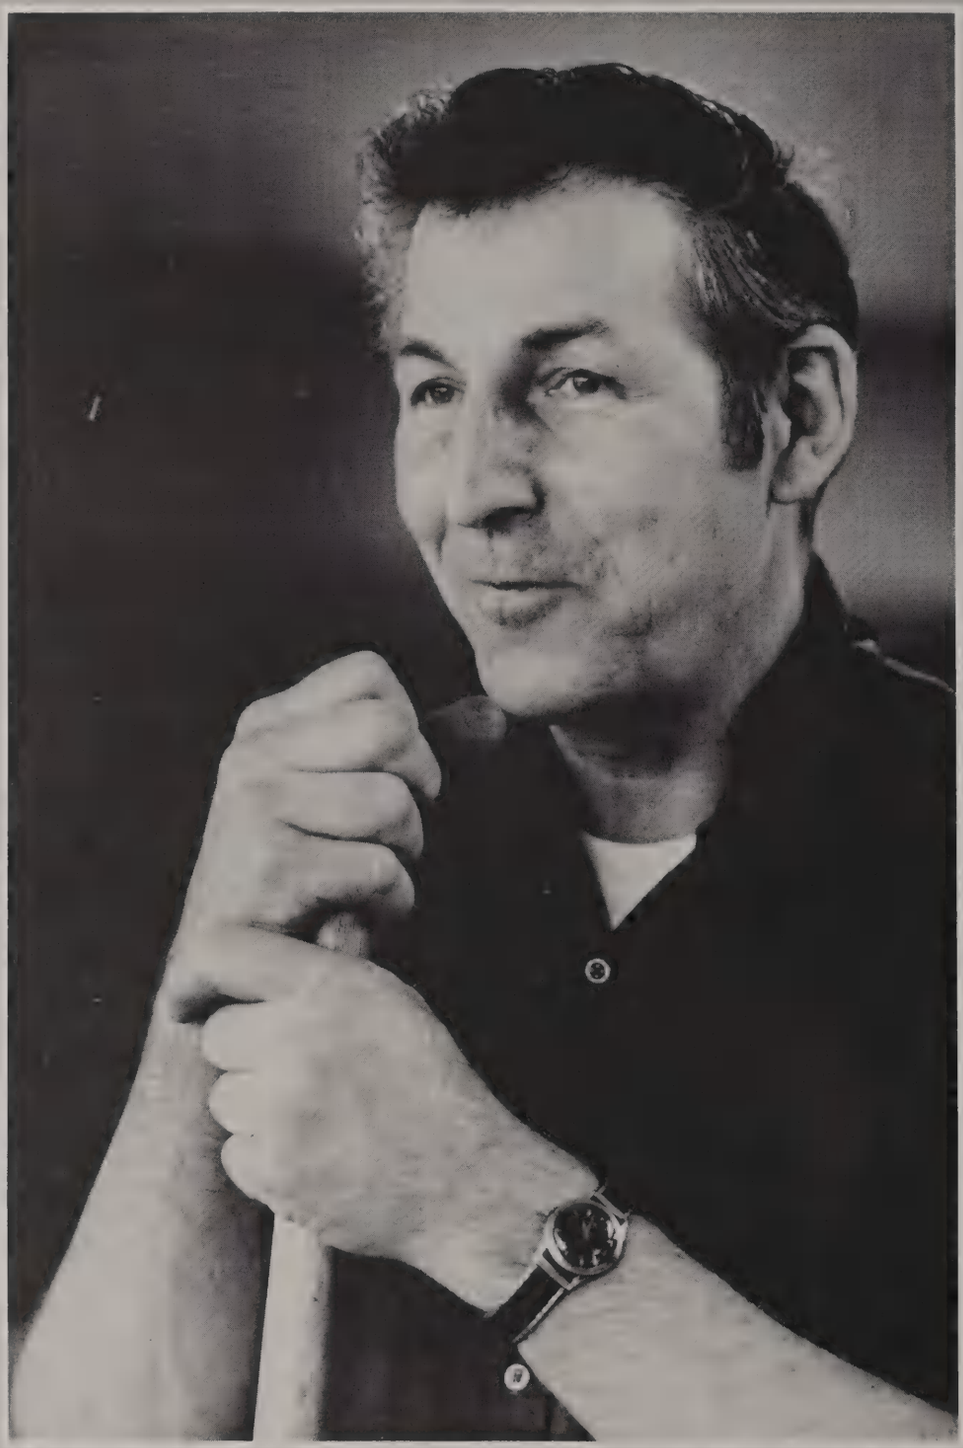
IN MEMORY OF KEITH LANE



Springfield High School will always remember Keith Lane, SHS graduate of 1944 and janitor. He was a star basketball player for the Millers, a logger, and a Merchant Marine during his lifetime. The students of SHS will remember him as the janitor who always asked if he could help.
